Sir:

Submitted herewith on Form PTO/SB/08 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

TIMING OF THE DISCLOSURE

The listed documents are being submitted in compliance with 37 CFR §1.97(c), before the mailing date of either a final action under 37 CFR §1.113, a notice of allowance under 37 CFR §1.311, or an action that otherwise closes prosecution in the application.

RELEVANCE

Copies of non-U.S. patent documents E2-E4 were submitted with the Information Disclosure Statement filed with the present U.S. National Stage Application on August 21,

2000. Copies of each of the foreign patents are found in the Image File Wrapper (IFW) of PAIR. However, the Information Disclosure Statement and PTO Form 1449 which accompanied the references were apparently not scanned correctly by the U.S. PTO and are not found in the IFW. An initialed PTO Form 1449 has not been received.

Document E1 (EP 0 972 524 A1), which is in English, is the European regional phase application of previously submitted document E2 (WO 98/37913), and was not previously cited separately. A copy of document E1 is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

An English abstract of each the foreign-language documents (E2-E4) is incorporated on the first page of each reference. The absence of a full English translation does not relieve the PTO from its duty to consider the submitted foreign language documents (37 CFR §1.98 and MPEP §609).

Applicants respectfully request that each listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.

FEE

A credit card payment form in the amount of \$180.00 is enclosed in accordance with 37 CFR §1.17(p) to cover the fee associated with an information disclosure statement under 37 CFR §1.97(c) in the amount of \$180.00. The Commissioner is hereby authorized to charge any additional fees which may be required for this Request to Deposit Account No. 19-0741.
